 Rates in areas outside deregulation
 Fixed-rate offers under deregulation (DFW area)

**High Electric Prices During Deregulation Have Cost Texas Residential Consumers Nearly \$12 billion
 Texans could have spent billions on other priorities had electric prices remained at or below the national average**

Source: <http://www.eia.doe.gov/cneaf/electricity/page/eia826.html>

- Savings for Texas Residential Consumers Resulting from Electricity Prices BELOW the National Average
- Extra Costs for Texas Residential Consumers Resulting from Electricity Prices ABOVE the National Average
