- ☛ Technology accessibility in rural schools
- ☛ Difference prerequisites
 - Frank Phillips College- Accuplacer
 - UTA- specifics on TAKS/EOC and ACT

Options:

- ☛ We can choose between FPC and TxVSN
 - Quality of courses at a junior college range from pitiful to excellent
 - However, we could not afford to step out of our articulation with FPC and still maintain a congenial relationship.
 - Offering college courses through the junior college is more personal to the students because the professors visit our campus and interact with the students.
