Message:

Senators, I demand that you Stop the Steal. What Steal you might ask. Stop stealing, absconding the voices of many Texas citizens. Gerrymandering is violence as proven by the Texas power shortage. Those for whom the system is gerrymandered are going to enjoy huge profits. Those who should protect us from those profiteers have begun the rhetoric against the Green New Deal (on RW news outlets) and somehow undocumented ppl and open borders will be responsible. As my daughter said to me We don't get to elect our candidates who will speak for us. Gerrymandering elects those who don't have us on their minds ever unless they're dehumanizing and demonizing us. In short, start having bold ideas to really make Texas strong and you won't have to cheat to win.
