Message:

It appears that the last 3.5 years our Nation has been threatened with division and separation. Even our democracy has been trampled upon. I pray these types of actions do not continue for the sake of our Country. I hope the redistricting stays within the compliance of the U.S. Constitution and Voting Rights Act; without packing of minority voters, fragmentation of minority communities to participate in the electoral process. When you start redistricting please do so looking out for the communities not the incumbents.

Help us keep democracy in our Nation. Stop the divisions and separation. A Nation divided shall fail.
