Message:

As a Texan and a constituent of Rep. Shelby Slawson, Senator Dr. Buckingham, and Congressman Roger Williams I ask this committee to consider an independent agency for redistricting.

I have considered myself a Republican since 1980. I have donated worked grassroots and lobbied for conservative values. Within the last three years due to former President Trump, I voted straight democratic last election.

The gerrymandering is racist, wrong, and needs to stop.

draw the lines as they should be. Do the right thing, not the thing that gets you re-elected.

God Bless,

terry aslin
