Affirm public info: I agree

Regarding: Senate

Message:

Districts are supposed to be compact and contiguous. I live in a district that is anything but compact or contiguous. I would really like to live in a district where my representative lived in my area and represented me and my neighbors. My neighborhood is very diverse, the district I live in is not. Austin should be in one district. We should use a non-partisan method to redistrict, but perhaps you can try to be fair.
