Message:

I have lived in the community of East Rockwall for 21 years.

I love our small town atmosphere and our leadership. We are like-minded people that chose this county for that reason. People come to this county from Dallas and other larger counties for our well-balanced and diverse thinking. Our population is exploding because these values.

We work for organizations to prosper, whether it be the American Legion, Rotary, Helping Hands, etc.

People that live here fit into my East Texas roots. They know each other and are always friendly when they meet.

I live in the East section of Rockwall county in a city that boasts 3 counties, Royse City, Texas.

Please keep this exceptional county in this same district, so that we can realize our best potential.
