Message:
Please note:

NO Independent Commission.

NO new maps along the way.

NO ethnic silos (this eliminates true diversity)

NO we do not want a drawn out process that puts the decision-making into the hands of a Judge, versus our elected legislators.

YES we want rural districts to have rural representation, not to be lumped into an urban district with different needs because ru areas have unique needs, schools, power & utility needs, and diversity.

Thank you.
