Re. Public Hearing on Redistricting

Dear Senators,

I see from the information I have received that the proposal before you would turn S. Texas, specifically Cameron County, in District 34, into a permanently Blue stronghold. Under the present situation we have a chance of giving the Democratic Party a run for their money at election time, this keeps them on their toes and more honest. If your redistricting plan removes this opportunity, the integrity of our democracy will suffer, as those who grow accustomed to holding power unchallenged grow lazy and corrupt. I beg you on behalf of Cameron County not to condemn us to this fate.

Respectfully yours,
Andreas Lewis
