Phone: [REDACTED] 8

Affirm public info: I agree

Regarding: Senate

Message:

I wanted to share that when drawing the lines can we please have a non partisan group of people who are not politically positioned. I don't want any gerrymandering and it's sad that the law is being used to promote or heighten wrong. I am really speaking on behalf of the community of my aging parents and others who don't have a voice. No more map manipulation let a non partisan group of people be apart of this process.
