Affirm public info: I agree

Regarding: Senate

Message:

Your proposal to include my area in North Dallas with rural parts of Texas will result in my area not being adequately represented. My area's needs are drastically different and we should be included with other urban suburbs. I vehemently object to this proposal and if this happens I will actively campaign against Republicans in Texas and suggest to my company to pull out of Texas. This is heading Texas toward being a back water state that will no longer be attractive to business.
