Message:

Proposed redistricting of Senate district 16 makes no sense. It will not reflect the needs and choices of urban Dallas County residents, and is a blatant and callous decision based only on political motorizations. It will not allow the "will of the people" to be represented. Shame on this committee if they follow through with this proposal to include noncontiguous rural counties in senate District 16 for no logical reason other than to alter the outcome of elections.
