Message:

I am **STRONGLY** opposed to the new planned districts especially for Senate and US House. I live in west Dallas. The proposed maps lump my neighborhood together with folks in Irving and Flower Mound for heavens sake. They are in different counties and cities from us and thus their needs, priorities and challenges are different too.

Additionally, the districts as proposed could be exhibits in a study of gerrymandering. There is nothing compact about them. They are like snakes across the map vs a collection of affiliated communities.

Please keep us in Senate district 16 and Congressional district 32.

Thank you.
