Message:

I would like to state my displeasure with the proposed re-districting as it will affect the district I live in (District 17). To make us citizen's of Fulshear, one of the fastest growing cities in Texas, a part of District 18 is ridiculous--we would be a virtual afterthought. We would be isolated from the rest of our district and it would be difficult to maintain a relationship with our elected officials. Re-unite District 17! There has been entirely too much division in our country recently -- stop the madness! Draw the lines to enable us to work together to make our State flourish!
