Message:

The State of Texas is in the process of redistricting and we are in danger of losing a great friend of Fulshear. Senator Lois Kolkhorst has faithfully served the residents of Fulshear and continues to be our voice in Austin. Just this last session she carried a number of Bills on behalf of the City and our residents. I have found her to be incredibly accessible and responsive. Having Senator Kolkhorst and her staff office just a few miles away is a tremendous asset. Her office here allows her and her staff to attend events in the area and stay in constant communication with both local elected officials and constituents.
