Regarding: Senate

Message:

I live on Lake Conroe in Montgomery County. I want to keep the Senate districts as they are under State Senators Nichols and Creighton. If that is not possible, then put it all under Senator Creighton. Putting any part of the Lake Conroe community under a district that services Harris County will greatly hurt the community around the lake. Our values and interests differ from those of Harris County, and putting us under Harris County will mean our community will get zero attention and zero dollars when put up against the interests and desires of Harris County. Leave well enough alone. Do not bring Harris County issues into Montgomery County.
