Message:

To the Honorable Members of the Senate Special Committee on Redistricting: In the proposed Texas Senate redistricting map, one small corner of Burnet County would be shunted over into District 25. I see absolutely no good reason for doing that. The good people of Marble Falls and Meadowlakes have far more in common with the rest of Burnet County, and other hill country counties, than we do with western Travis, Hays and Comal Counties. I respectfully request that you please leave Burnet County intact in the redistricting process and leave us in District 24. Thank you for your consideration.
