Message:

I urge the House and Senate Committees to draw maps that are fair and competitive, and provide the opportunity for equal representation to ALL Texans, as guaranteed by both the Texas and U.S. constitutions.

I ask that you put aside partisanship and draw maps that are free from manipulation and gerrymandering.

I respectfully ask that the redistricting process be open and transparent and that citizens are given the opportunity to review and comment on the drafts before they are finalized.

And finally, I ask that no backroom last minute changes are made behind closed doors.

Our democracy depends on your integrity.

Thank you,
Merle Dover
