Message:

I'm a resident of Columbus located in Colorado County.

I strongly oppose Rural Colorado County being Redistricted to the same district as River Oaks, not just miles away by road but thousands of miles away by our lifestyles, wants, needs and beliefs.

This is the most destructive (intentional?) way to water down THE VOTE from one party to another. Call me cynical but when you do a power grab as ridiculous as this one can't help but see it's a clear refusal to allow the people of Colorado County have a just vote. Colorado County is as different as night and day from River Oaks.

Thank you to our Senator Kolkhurst for opposing this purely political people grab.
