Phone: [REDACTED]

Affirm public info: I agree

Regarding: Senate

Message:

The proposes redistributing map for Texas is wrong...just plain wrong. As a former USAF officer, I swore my life to defend The Constitution including the right to vote. This level of gerrymandering should be illegal whether it happens in a red state or in a blue state so more than ever, I hope the US Congress passes national voting rights legislation because the people who are trying to draw these district lines SHOULD NOT be in public office.
