Message:

The way that the maps have been drawn for Tarrant county are not acceptable. You seek to remove representation from black and brown Texans who pay taxes. As tax paying citizens we are entitled to proper representation.

It is also immoral to try and rob people of their voice in order to retain political power. So you do all this scheming and gerrymandering but what does it profit a man to gain the whole world and lose his soul. The map is oppressive and repressive and should not be ratified.
