Message:

I am a resident of Magnolia Texas, my family was raised here, as well as me being raised here. I do not understand why you would want to read this trick Us in the bottom part below 1488 into a district that puts us in the same vote as Harris County?

We are a tight nit community and we don't want to be in an area that puts us in contradiction to ourselves with the Harris County District. I don't understand why this is happening and where you think you have the right to do something like that to us and as a republican-conservative this move will greatly affect the way me and my family which is deep-rooted in

Magnolia Texas will
be voting.

We are apart of
Montgomery Texas and
we want to stay a
part of Montgomery
Texas. And those
counties which
represent the country
type people that we
are. Please
reconsider this when
you vote, we don't
want our country town
to be sitting up by
Harris County
senators. They do not
have our interests at
heart and the portion
you are putting into
the Harris County
District is minor
compared to the area
of Harris County.
Remember we voters
are watching how are
senators and
representatives are
acting.
