To whom it may concern,
I live in the Kipling Oaks neighborhood that the proposed redistricting map is considering adding to Harris county. I would like to say that we oppose this to the greatest extent, we do not under any circumstance want to be part of Harris. We chose to move here because we like Montgomery and have always lived in this county. If we wanted to live in Harris we would have done so. I have spoken to many people in the community and they do not agree with this potential change. Doing this would uplift many people from their homes and cause them to relocate. As an incumbent of Montgomery county we hope that our pleas are heard and considered when making a decision.
