Affirm public info: I agree

Regarding: Senate

Message:

Please use some common sense in your design of districts. I am currently in a district that stretches in such a way that I am not part South Texas, even though I we live just outside of Corpus Christi. It is very frustrating to talk to someone who doesn't even know where Port Aransas is on the coast. Please don't try to make all democratic or all Republican districts. Please make the districts represent the area in which we live.
