Affirm public info: I agree

Regarding: Senate

Message:

My comment is simple: work with the incoming Democratic House majority to undo the horrible gerrymandering Republicans have done to Texas. I know I'm asking you to give up some power, but it's in the interests of Texas because Texas will thrive with more equitable representation. Ideally the redistricting should be done by an independent commission, but you and the House Democratic majority can figure out the details.
