Message:

As President of Dove Springs Proud civic group for the entire 78744 area of Austin, TX, my 950 members would like to keep our Senate district 21. We want to stay within this district within the Senate and not be removed from this district when redistricting is being considered for the following reasons:

Our current Senator represents our concerns and hears our issues for years and we do not want to lose the valuable repour we have built with their office. We have had different Senators in the past and were not heard out. We believe it would be detrimental to our progress as a community if we were placed within another district as our concerns, values and issues would go unheard again. Thank you.
