Message:
The TX Legislature should not
manipulate maps in support of
one party or one politician,
but instead draw maps that are
fair, competitive, and
represent ALL Texans. We want
redistricting in Texas to be
fair and the process
transparent. We want
legislators to follow the
Voting Rights Act and not
discriminate against people of
color. Once the Census results
are released, we expect you to
find a way to come back to the
citizens of Texas with fair
maps.
