Message:

Chairman Huffman and committee members,

Please include this correspondence as part of the official committee redistricting comments. I have no specific asks regarding my specific Senate district (20). I do however have requests regarding the process of redistricting.

1. We would like fair, full, transparent, and open decision making.
2. We would like to see proposed maps and have adequate time for public comment prior to the maps being voted on.
3. We would like a citizen led, independent commission to be a part of the decision making process. This commission must be all inclusive of the residents of the state.
4. We would like redistricting to not wind up in the court system.
5. We would like redistricting to be decided in the State House, not the LRB.

Thank you.

Lisa Orsborn Hernandez
