Message:

I would appreciate you taking into consideration my concerns regarding redistricting.

I do not want a process that would put the decision of redistricting into the hands of a Judge or Court who are unaware and unconcerned of my values or interest.

I do not want a independent commission to determine redistricting in Texas.  
I want and insist on a District with whom I share interest and commonality.

I do not approve of racial silos or new maps produced along the way.

We must as citizens approve any new maps this is non negotiable.
