Senators:

Regarding redistricting, for your consideration.

I am against Independent Commissions as this takes the accountability away from you, our elected legislators and turns it over to people with no accountability.

I do NOT support new maps along the way.

I do NOT support ethnic silos as this hurts true diversity.

I do NOT want a drawn out process that puts the decision-making into the hands of a Judge, versus you, our elected legislators.

YES, I support districts drawn to include areas/people with shared interests: Rural areas have unique needs for schools, power and utility needs and diversity.

YES, I support rural districts having rural representation, not to be lumped into an urban district with different needs.

Sincerely,

Renée Wasinger
