Message:

I am a resident of a rural community in SD18, our current representative Lois Kolkhorst has extensive knowledge of this area. She has serves our needs well. A rural community has ver different needs than an inner-city community. What one finds in a rural community has no match to what is found in a rural area. If SD18 is re-districted, it stands to lose a great deal, as this district has no need for any inner-city progression. By re-districting SD18, you the Senate would be doing a grave injustice to the district and it's people.
