Message:

I strongly oppose the proposal to take North Dallas out of Texas Senate District 16. We are supposed to be represented in the Texas Legislature as "communities of interest". Putting North Dallas with all those rural folks is not going to allow us to have fair representation. I'm sure those are fine people, but their interests are not the same as ours because rural interests and urban interests are different. Those differences warrant inclusion in different "communities of interest" for purposes of apportioning representation.
