Message:

The redistricting plan put forth by the Republicans is a completely UN-Democratic joke and should be thrown out and redrawn in manner that isn't an obvious attempt to rig elections. It only serves to allow Republicans to get elected based on their Party affiliation, rather than their ideas and disenfranchises entire groups of people who deserve to be Represented by one of their peers- not some carpet bagger who doesn't even live near them. Anyone who is that big of a coward and is too afraid to compete on a level playing field, shouldn't be allowed to Represent ANY of us. How can you not see how damaging this is to our country?
