To whom it may concern:

We live in major Metro Dallas county; we pay taxes in Dallas county; our kids goes to Dallas ISD and Universities here in Dallas county. It's not fair for political reasons to re-district Dallas county for the sole purpose of electoral basis. Dallas county area and it's residents must be part of Dallas county for electoral districts; we cannot be forcefully combined with rural districts and rural districts cannot be part of Dallas county; this applies to all major metro areas in Texas. Gerry meandering for the sole purpose of electoral purposes are unethical and abuse of power of the majority ruling party. It will well may backfire soon for the majority party in the coming elections.
Thanks
