Message:

your proposed "redistricting" map for District 16 is a travesty. Even in my north Dallas neighborhood where there are many Rs, outrage on public forums is loud and angry. keep it up, your day of losing your seat is coming, sooner or later, you're just hoping that with these maneuvers you can make it later because you know it's inevitable. you are not representing the people of my district with this proposed map. we will do everything we can to unseat those who do this and do not represent us.
