Message:

Legislators- the map you proposed for redistricting the state is terrible. The urban districts look ridiculous. This is an obvious attempt to grab more power for the Republicans while minimizing Democrat leaning voices, particularly in urban areas and the border. You have been elected to serve Texans not win the game of taking all the political power you can. Please find some integrity and try to earn more votes not silence those you might not earn.

This map is a sham.

Angry East Texan in Bryan Hughes' distric.
