Message:

Dividing Parker County is not a good idea. Please keep it whole and leave with District 10. Or group us with Tarrant County.

One of the major issues is all that infrastructure we need, such as roads to relieve the increasing traffic, will come from state funding. Dividing the county will weaken that ability.

I previously lived in Mansfield and saw what a mess it was to have Tarrant county divided; and yet I see that the proposal continues to do that as well. Tarrant county should be left whole as well and either grouped with Dallas County or Parker County.

With the impending development of ranch land along I-30, 50,000 home could be built in the next 20 years, so Parker county has more in common with other counties along I-30 and should be grouped accordingly.
