Regarding: Senate

Message:

I live in District 16, which is firmly in Dallas County and within Dallas city limits. I highly resent the power grab of the state GOP as it tries to gerrymand this into a district that is largely white and rural. We live where we do because we value its diversity and the values of our neighbors reflect our values. I realize this is precisely why state leaders want to blow this district to smithereens. The hypocrisy is stunning and the corruption it reflects put developing nations to shame.

Nathan Johnson is our State Senator and our neighbor. He brings to Austin the concerns and values of those he represents. It is an unsurprising travesty that the state GOP is doing everything in its power to unseat him, as well as other fairly elected Democrats.

Dare I ask, how can the GOP leaders possibly make anything worse in this state? They have made us the mockery and embarrassment of the country. I am a lifelong Texan who has always been proud to call this state home. This GOP's regressive, ridiculous, autocratic shenanigans have made me ashamed to admit that I'm from this once-great state. And all so a few knuckleheads can keep their jobs. Shame on all of you.
