Message:

The redistricting of the city of Denton outside of Denton county and lumped together with towns as far away and culturally dissimilar as Wichita Falls and Amarillo is nothing short of inappropriate and unfair.

This districting decision will disconnect Denton residents from their current elected officials, officials that, regardless of political party affiliation, are more appropriately and sensibly matched to our community than those found in the panhandle and west Texas.

This decision hurts each of the cities involved, but most especially Denton. Leave Denton to those familiar with Denton, those who care for Denton, those who KNOW Denton.
