Message:

I represent voting precinct 574, a historically Mexican-American neighborhood in Harris County, Texas, established in 1936. I have been the precinct chair for this precinct many years, however, both chair seats are currently vacant. Precinct 574 is located in SD 13, HD 141 and US Congressional District 18. Precinct 574 has a population of about 1000-1100 that is currently approximately 70% Latino/Mexican-American. Precinct 574 is consistently without services or representation that would improve the quality of life for the people of its community. There have been unfair boundaries created separating the people from assets built and/or once owned by the people of Precinct 574 as well as splitting of a subdivision to separate its assets from 574. For these reasons we are asking to be moved to SD 6, HD 140 and US Congressional District 29 where we believe we will receive better and inclusive representation. Precinct 574 is currently adjacent or in close proximity to all of the districts where it is asking to be moved.

Thank you kindly for your time and attention to our requests. Please see the attached map.
