Message:

I'm just wondering what idiot/idiots thought up the map to add Killeen or any other town or city in Central Texas to a map for places such as Midland, Odessa and San Angelo. We don't belong in that group or area of Texas and whoever thought that redrawing up is both crooked and asinine. They also don't deserve to serve the citizens of Texas. Are they afraid of fair voting and trying to fix the voting rights of all persons in that district?
