Message:

As a citizen of Kleberg county, I was disappointed with the redistricting of TX 34. Kleberg county is grouped with the RGV counties that we have nothing in common with. We are separated with large ranches with small populations. During the last election the focus of both candidates was only one county, Cameron County. We in Kleberg County have very little to do with Cameron County. I feel that our needs in Congress are not being heard. We are forgotten. We do not even have a congressional office in our County. We are not being represented by anyone in Congress.
