**Senator Morgan LaMantia Extends Invite to Mathis
Community & Media for a Celebration at Mathis Intermediate School**

Mathis, TX - Senator Morgan LaMantia (D-Palm Valley) extends an invitation to the media and the community of Mathis for a special celebration honoring Glorious Growth from Mathis Intermediate School. This event will highlight 14 students from the Glorious Growth team on being selected among the top winners at the Future Problem Solving Program International (FPSPI) Conference in Amherst, Massachusetts, on June 11, 2023.

FPSPI is a renowned program dedicated to fostering critical and creative thinking and problem-solving skills in students worldwide. Glorious Growth from Mathis Intermediate secured third place in the junior division in the Community Problem Solving category for their Glorious Growth school beautification project, and will be recognized with Senate Resolution No. 42 by Sen. LaMantia this upcoming Tuesday.
